GLORIA MATERIAL TECHNOLOGY CORP.

Executive : Robert Chen
 Homepage : <http://www.gmtc.com.tw>
 Contact : Jacky Chiu
 Email : jackychiu@gmtc.com.tw
 Address : No.10, Gong 2nd Rd., Liuying Dist., Tainan City 736, Taiwan (R.O.C.)
 Telephone : +886-6-652-0031
 Facsimile : +886-6-623-0677
 Year Established : 1988
 Number of Employee : 1,100

CAPABILITIES

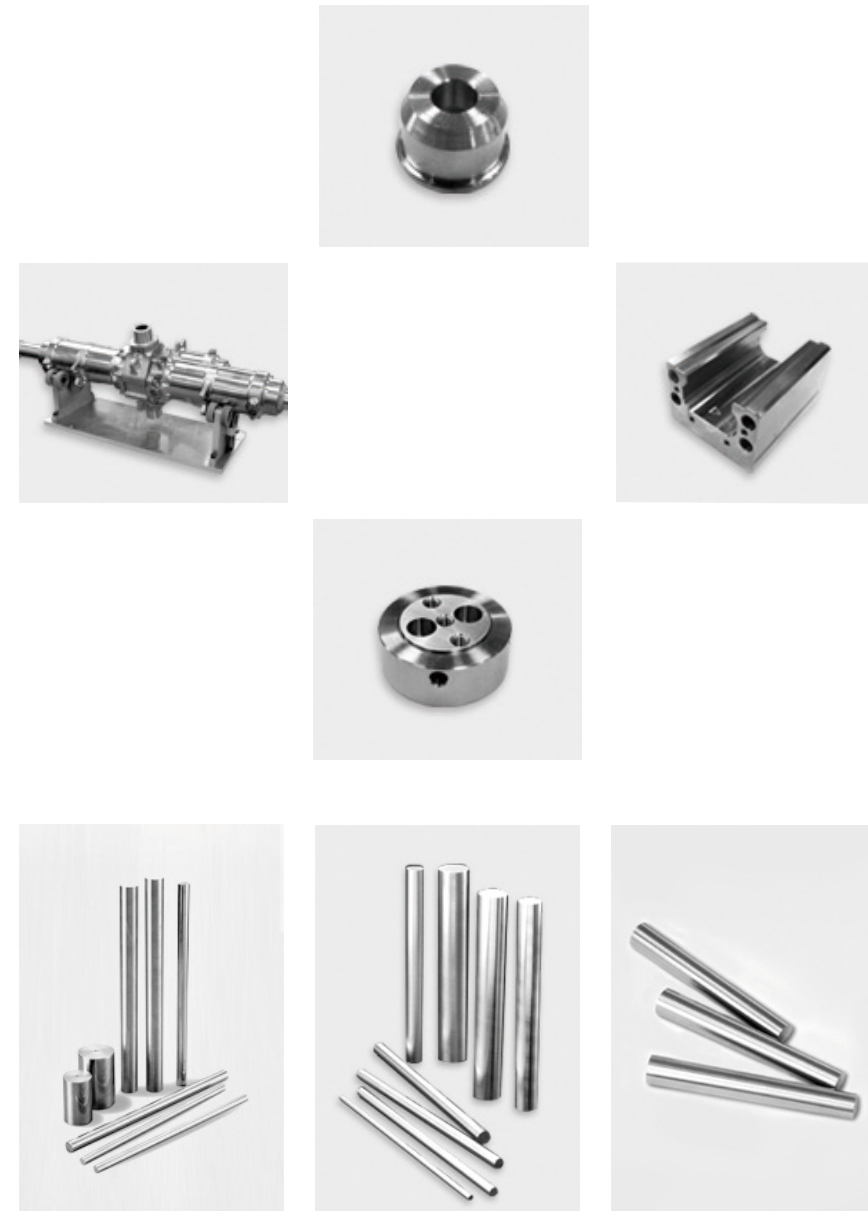

Specialty Metals : VIM, EAF, ESR/VAR, Forging, Rolling, Heat Treatment, Finishing

PRODUCTS

- Main product : High purity steel, high-speed steel, powder metallurgy, alloy tool steel, quenched and tempered steel, stainless steel, low alloy steel, bearing steel, key components of the production development
- Special steel products : Titanium alloys, high purity steel, high alloy tool steel, plastic mold steel, precision mold, ultra-precision machining modules, precision plastic injection production of key components of the development

QUALITY CERTIFICATED

AS9100
 ISO 9001
 ISO 14000
