NFT TECHNOLOGY CO., LTD.

Executive : Liang, Heng-Hao
 Homepage : <http://www.nft.com.tw>
 Contact : Andre Chen
 Email : andrechen@nft.com.tw
 Address : No.88, Weisuei W. Rd., Gangshan Dist., Kaohsiung City 820, Taiwan (R.O.C.)
 Telephone : +886-7-623-0183
 Facsimile : +886-7-622-8648
 Year Established : 2001
 Number of Employee : 115

CAPABILITIES

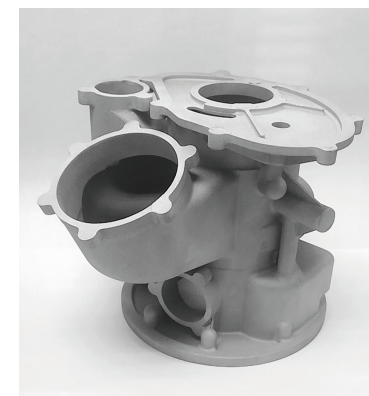

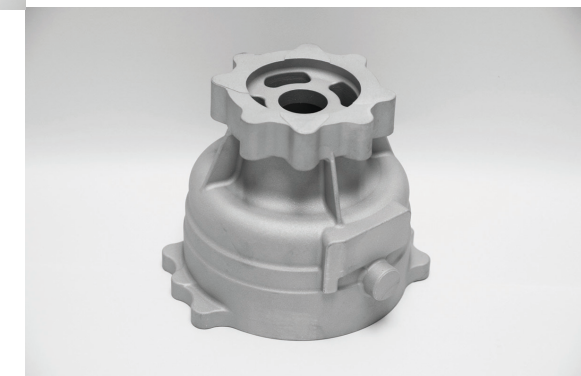

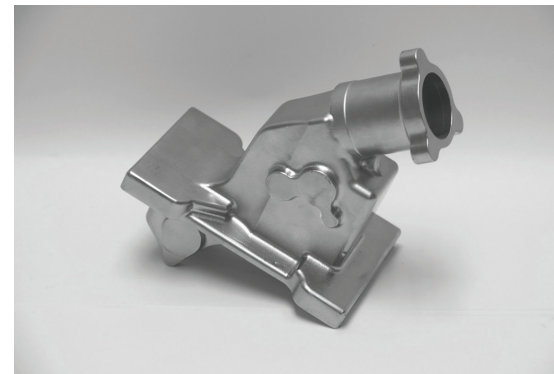

- Casting : Investment Casting for Steel and Aluminum
- Machining : 3-axis & 4-axis CNC Milling and Turning
- Non-Destructive Testing : Water Washable Penetrant Inspection, X-ray Inspection and Computed Radiography
- Inspection Equipment : Tensile Test, Hardness Test, Chemical Composition Analysis, 3-D CMM, Ultrasonic Thickness Inspection, Profile Projection.

PRODUCTS

Aviation Aluminum and Steel Investment Casting
 Aviation Casting Tooling Design & Manufacturing
 Aviation Casting & Raw Material Machining

QUALITY CERTIFICATED

- ISO 9001 : 2008
- AS9100C for Investment Casting and Machining
- NADCAP for Heat Treatment & NDT
- Customer Certificates : GE Aviation, Safran Electric & Power, UTC Aerospace Systems, Eaton, Parker Hannifin, Meggitt
